Empowered Leaders

Transformed Communities

Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Joaquin is the founder of Global One80 and serves as Chief Operations Officer and member of the Board of Directors. Joaquin and Oneida have been involved in ministry for over three decades. They have ministered in Dominican Republic, Mexico, United States and many countries of the world.

Joaquin was born in the Dominican Republic. At 18, he went to Charleston, WV as an exchange student. When he returned home, he became a Christian and soon after, God called him to full-time ministry. He moved to an impoverished neighborhood to start a new church.

In 1992, he moved to Denver to study a MA in Missions at Denver Seminary. After his graduation, he moved to Nogales, Mexico to start a new church.

In 2003, he joined the Executive Leadership Team of Missions Door in Denver, CO. First, he was a Ministry Director, then Vice President of Ministries, and later Vice President of Engagement.

In 2006, he finished an MPA in Nonprofit Management from the University of Colorado at Denver.

In November 2016, after serving with Missions Door for 31 years, he decided to resign to launch Global One80.

In December 2018, he moved to Arizona where he leads the operations of Global One80. Also, he is helping Iglesia Ncuentro, a Spanish-speaking church in Mesa, Arizona in administration, preaching and mentoring young couples.

Joaquin is married to Oneida, and they have three grown children: Mariel, Abraham and Laura. Also, they have three grandchildren: Lincoln, Jackson and Jameson.
