Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

**IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

**INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

### Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

**Victor serves as President of our ministry. Together with his wife Nuwen, they are planting Grace & Peace Church, a new Spanish-speaking church in Davie, Florida. This church is a means of grace to challenge believers to experience the transforming gospel while serving the most disadvantaged people and families in the community, especially children, women and the homeless, for them to arise with hope.**

Born and raised in Santo Domingo, Dominican Republic. He accepted Christ as his personal Savior when he was 9 years old at a church planted by Joaquin A. Vargas, founder of Global One80. He became the first Christian in his family and was instrument to bring all his family to the Lord.

He graduated from a church-led Bible Academy in Pastoral Theology. Then, he attended a private university in Santo Domingo to pursue a degree in Psychology. Later on, he finished an MA in Family Therapy and an MBA in Strategic Direction of Human Resources. His ministry focus has been to present the gospel to vulnerable people groups. He served with Compassion International as Country Director for Dominican Republic. Also, he served with World Vision as Director of Organizational Development, and other nonprofit organizations.

He was instrumental to help start churches in Dominican Republic, serving as youth leader, Sunday school teacher, church planter and pastor. Victor Arias believes in the power of the gospel to set people free from poverty, and in Christian education to help transform the children and youth. His own life is a reflection of the importance of leading children out of poverty to bring them to Christ.

Victor has three daughters and three sons: Camila, Gabriela, Alina, Carlos and twins Marcos and Thiago.
