Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

**IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

**INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

### Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

**Eliseo is planting a new church in Cusco, Peru. In January 2017, he started Mas Vida Iglesia Cristiana. He is a visionary leader. His vision is to train young leaders who get involved in their community and starting new churches in other parts of Peru.**

Eliseo was born in Yantaile, Peru. A rural community about 8 hours from Cusco. His father was a farmer and church planter. Some of the areas where he started churches, he had to walk for days to reach the communities.

At the age of 9, he moved to Cusco to go to school because there was no schools in his village. When he was 17, he went to a Bible Seminary to study pastoral ministry and theology.

In 2009, he started a new church with his family. As part of the practical training he was assigned to work to work with youth and children that speak Quechua in rural villages around Cusco.

In 2012, he returned to the church that he started in Cusco and continued his training at the Seminary during the day and at night he would go to a technical school to study as a pharmacy clerk.

In 2015, he graduated from his bible training and was the youngest leader to finish a Bachelor of Theology in his class.

In 2016, he started a new ministry with young people. Later, God opened the door to build a sanctuary where they are now located.

In 2018, together with other young leaders from his church they started a nonprofit ministry called Jayway to work with children and the elderly. They have been able to impact thousands through this ministry that provides school supplies, toys, medicine, and meals.
