Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Magdiel started Iglesia Dios Soberano at San Felix in November 2017. This is a community of over 300,000 people. The community has an old history that dates to the 1700's and has four universities. One of the main characteristics of this city is all the small businesses in the area. The church has a strong emphasis on evangelism at plazas, universities, home and on the streets.

Magdiel grew up in a Christian home and his father was a pastor in Ciudad Guayana, Venezuela. At the age of 15, he decided to accept the Lord as his personal savior. At a young age he started helping at a church as a youth leader in the city of Tinaquillo, where he helped for two years.

When he was 17 years old, he helped his dad to start a new church in Ciudad Guayana. Later, he joined Vida Abundante Church, while he was studying at a biblical seminary.

Magdiel got married to Keylis in 2016 and they have a baby girl Rouse Esperanza."
