## NEW YEAR: REAL IMPACT RESOLUTIONS

### Year of the Bible / #yearofthebible

It is interesting to read all the resolutions and goals that people have when a new year starts, and 2020 is not different. I have doubts on how effective they are, especially when they are done by an emotional high, without thinking of the commitments necessary to accomplish them.

As you start this new year 2020, I hope that number one in the list will be to **spend more time in the Word of God**. This year my friend *Nick Hall* from Pulse Movement has started a new resource called: **YearOftheBible.com** to encourage people to read the Bible this year. I hope that this is something that you consider doing. This will be a resolution that will produce a real impact in your life.

Also, I would like to encourage you to help us to find **New Donors** this year for the Operations Fund of Global One80. Our **annual operational budget is \$24,000 per year**.

Have a great year, thanks for partnering with us to impact people with the gospel of Jesus, one life at a time!

Blessings,

Joaquin & Oneida Vargas
