Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

In this generation, video is a powerful storytelling tool. Creatives are vital for missions. Ethan's mission is to highlight the progress and growth of GlobalOne80. His vision is to tell the stories of missionaries and the people they serve through video. His goal is to make the unseen, seen.

Ethan was born in Tulsa, OK and raised in a Christian family where he learned about God's love and forgiveness. At an early age, Ethan chose to accept Jesus. His interest in the mission field began in high school when he went on short term mission trips to Mexico with his church. His ministry background includes being on staff as the Broadcast Media Director at two churches: the first in Honolulu, HI and the second in Oklahoma City, OK. While on staff in Oklahoma City, he had the opportunity to film a documentary at a partnered church located in Ulyanovsk, Russia.

Ethan hasn't always worked in ministry environments. He also worked as a photojournalist for many years, covering local news. He started to realize that he wanted to do more than cover local news. His wife Victoria was born and raised in Guatemala and has been a missionary for 20 years. While Ethan visited Guatemala, he began to realize there was a place for God to use his gifts and talents in the mission field. He realized the need missionaries have to show the impact God is doing through them. He became a missionary with Missions Door, a mission agency, where he served as a videographer, telling the stories of indigenous missionaries in Central America and Cambodia. His journey has taught him that God is good, His ways are sometimes beyond understanding and we all have a void that can only be satisfied by Him. Now, serving with GlobalOne80, he wants to show how people are being changed by the gospel.
