

FREEDOM FOREVER

"For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future."

Jeremiah 29:11

The 4th of July is a day for us to remember all our freedoms. Normally, this day is celebrated with events ranging from fireworks, barbecues, parades and family gatherings. However, given our current situation with the global health crisis, many people feel uncomfortable gathering in large groups. In addition to the health crisis, unemployment and social unrest have affected United States society to its core.

The world needs a savior. To have hope for a better tomorrow, we need to trust in what Jesus told us, *"Heaven and earth shall pass away, but my words shall not pass away."* Matt. 24:35

When we accept Jesus, we have a story to tell. It is a story of trusting the one who sets us free from fear. My vision is to create videos that tell the stories of GlobalOne80 missionaries to show how they depend on God to impact communities in the United States and around the world. My goal is to promote Jesus, who came to earth to set us free from sin and provide our eternal home.
