

SERVING WITH LOVE

"You, my brothers and sisters, were called to be free. But do not use your freedom to indulge the flesh; rather, serve one another humbly in love."

Galatians 5:13 NVI

As Christians, we find a sense of inner freedom that transcends all forms of slavery. When we are freed from the bondage of sin, we are truly free. A Christian may be persecuted for his faith or be in the midst of serious difficulties and yet be free.

But this freedom that we experience is not the same as doing whatever we want. The earthly battle for freedom seeks not to be a servant or slave to anyone. **The Christian faith frees us from slavery to sin and from Satan, so that we can be free and serve others.**

It is a great responsibility to use our freedom to serve God. **We find joy in service when we focus on the benefit that it brings to others**, when we understand the growth that service produces in our lives and when we are aware that we are working for something that is beyond this temporary life.

Therefore, our freedom is always formed by the will of God for us and the need to reach our neighbor with our service. **At Global One80 we want to motivate you to serve others, according to your gifts, abilities and talents. Serving others gives us a whole new perspective on how to live as children of God.**
