THE NEW NORMAL: ARE YOU READY?

"Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the unity of the Spirit through the bond of peace."

Ephesians 4:2-3

After all the anguish that COVID-19 has caused, we would all like to go back to our old lives. Instead, we only hear about a "new normal", which we will arrive there little by little, when the risk is small, even if it still exists. For some it will be a simple change in routine, but others, for example, will not be able to see their loved ones here on Earth again.

So are Christians ready for this "new normal"? The answer is, yes! And to know it, it is enough to remember the apostles, who after getting used to the company, the teachings and the miracles of Jesus, must have witnessed his passion, his resurrection and his ascension, to realize that their lives would not be the same. Let's not forget the persecution of Christians!

And how did they deal with this "new normal" in their lives? For by holding on to the promise of the Father, which Jesus planted in their hearts for forty days after his resurrection. Jesus prepared them for their new life and their new task: the development of the Church.

At Global One80 we want to invite you to cling to the promise of the Father, so that whatever your current or future situation is, you can face it with Jesus in your heart, as a good Christian.
