

## ELISEO & ISABEL MACEDO

Church Planter  
(Perú)

### FOCUS

**Eliseo is planting a new church in Cusco, Peru. In January 2017, he founded Mas Vida Church. He is a visionary leader and passionate about Christ. His vision is to make a church passionate about Christ and multigenerational that loves people and serves their city, discovers its potential in every person, and starts new churches in other parts of Peru and South America.**

### JOURNEY

Eliseo was born in Yanatile, Peru. A rural community about 8 hours from Cusco. His father was a farmer and church planter. Some of the places where he started planting churches were far away, so he had to walk for long days to reach the communities.

At 17, he went to a Bible seminary to study pastoral ministry and theology.

In 2009, he started a new church with his family. He was assigned to work with Quechua-speaking youth and children in rural villages around Cusco.

In 2012, he returned to the church he started in Cusco and went on to continue his theological training at the seminary during the day, and at night he would go to a technical school to study pharmacy.

In 2015, he graduated from his biblical training, becoming the youngest leader to finish seminary and earn a Bachelor's Degree in Theology.

In 2016, he started a new ministry with five young people full of passion, desiring to make a multigenerational church where everyone can call the sanctuary their home and be a place of biblical preparation, thus blessing their community.

In 2017, God opened the doors to renting a space and building a sanctuary where they are currently working.

In 2018, along with other young church leaders, they started a non-profit ministry called Jayway to work with children, the elderly, and widows, providing school supplies, toys, medicine, food, and clothing, among other community needs.

In 2020, during the COVID-19 pandemic, he married his beloved wife, Isabel. In that same year, he began his second career as a psychologist at a private university, working as an instrument for the ministry.

In 2022, after having closed the church for two years, they reopened the on-site services with a minimum percentage of congregants. It was like starting the ministry from scratch.

In 2023, they started the ministry for families, youth, teenagers, and children. Also, they set up a biblical training school for all those who wish to serve in the ministry, taking leadership in certain areas, including evangelism. Additionally, they received great news that impacted their lives: the arrival of a baby boy at their home.

# Global One80

**Global One80** is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
