

## PRAYERS FOR PERU

In 2018, my wife, my daughter and I were forced to move from Venezuela. The political, financial and social situation was critical and unbearable. **We came to Lima after a long 5-day bus trip from Venezuela, through Colombia and Ecuador.** We decide to emigrate convinced that God has called us to serve Him in Peru. We wanted to bless families through Bible teaching, discipling and counseling. Two years later, we are thankful that the Lord has supported us in the midst of many difficulties.

We are currently serving at a local church in a Bible study group. Peruvian society is going through a critical degradation of the meaning of the term "Family". Peruvian families need God desperately and **I am asking you to pray with me for Peru and the ministries here.**

At the same time, God has opened the door to serve him as a Virtual Assistant for Global One80. I help the organization with communications and operations, alongside three other Venezuelan professionals, who are also very vital to serve a team of eight countries now. **We thank donors who are willing to help Global One80 Operations Fund,** which provides funding to support all international staff and the United States operations.
