Empowered Leaders

Transformed Communities

Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Belkys serves as a missionary in two indigenous ethnic groups in Venezuela: Piaroa and Joti. Today, she and her team are translating the New Testament into Piaroa. The other ethnic group remains unreached but has formed a team of missionaries who are learning the language and culture in order to complete the translation of the Bible.

Her house has become a center of hospitality for indigenous people and missionaries. During the pandemic, her home also serves as a formation center for a Piaroa family that is taking the intercultural missionary study program of the Missionary Formation Center of Venezuela.

Belkys was born in Caracas, Venezuela on January 16, 1959. She grew up in a small town near the capital, called Los Teques. There she attended school and upon graduation traveled to London, England to continue her university studies in biochemistry. Due to the precarious health of her respiratory tract she returned to Venezuela, where she started working as a translator. She was also able to continue her studies and graduate in Foreign Trade.

Belkys met the Lord in 1998 and immediately began to serve in various ministries.

In 2003 she began her missionary work with Operation Christmas Child and the Red Cristiana de Atención al Niño Venezolano (RENACSENIV).

In 2004 he participated in the organization of the First Interdenominational Missions Congress and missions became his passion. Since that time he coordinated the missionary work of his church, Rios de Agua Viva.

In 2009, the precursor of what is now Simply Mobilizing arrived in Venezuela. Belkys had the privilege of being part of the first course and discovered that God had been forming her to mobilize God's people to fulfill the Great Commission.

He is currently serving with SM as National Coordinator for Venezuela, member of the New Nations Team for Colombia, Member of the Forum of Latin American countries and member of the GRT LA (Global Regional Team Latin America).

Now the project that the Lord is leading her to, hand in hand with Simply Mobilizing, is to go to Spain to help establish the mobilization movement in that country.

Belkys married the father of her two children in 1982. But, in 1988 they divorced. From that marriage were born their sons Mauricio José and César Humberto, both married and each with one child.
