Strategic Alliances
(Argentina)

FOCUS

Currently, Daniel works at his local church alongside a team, discipling and mentoring young married couples in his congregation. He is the national director of OM Argentina, serving in mobilization and dispatch, having the goal of training, mentoring, and coordinating—together with local churches—the sending of workers to unreached areas. He is also part of the national coordination team for Simply Mobilizing Argentina. There he has the opportunity to inspire and equip believers—and through them, the local church—to serve the Lord. He focuses especially on those who have never heard the message of Jesus. He is also in charge of coordinating SM courses on the Logos Hope ship. Daniel, his wife Alejandra and their two daughters, Priscila and Ruth, live in Buenos Aires, Argentina.

JOURNEY

In 2011, together with the leadership of his local church, he began the launch and organization of the church's missions department, which today supports the missionary work of several families in different parts of the world through prayer, offerings, and short-term visits.

From 2017 to 2019, he worked alongside his family on OM's Logos Hope ship, leading the crew's human development program and also being involved in mobilizing churches for missions in Latin America and the Caribbean (the region where the ship was stationed at the time).

In 2020, we began serving as part of the Operation Mobilization (OM) Argentina team and also launched Simply Mobilizing (SM) as a national movement in the country.

In 2021, he completed a graduate degree in pedagogy and educational didactics.

From 2021 to 2025, he served as the national coordinator of Simply Mobilizing Argentina, where he developed a leadership team and the ministry that is currently active.

In 2024, he assumed the role of national director of Operation Mobilization (OM) Argentina, a position he holds to this day.

"I believe the gospel must be proclaimed throughout the world, as this passage and many others invite us to do, and for this to happen, strategic and coordinated efforts are needed among churches, organizations, and workers. Argentina has the potential to contribute to the task of reaching those who do not have access to the Gospel and, together with other efforts, to bring about a shift in the trajectory of its expansion among the least reached."

Matthew 24:14: And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.

Global One80

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
