Empowered Leaders

Transformed Communities

Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

**IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

**INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

**D & M are serving since 2019 in Iraq. Although he is a systems engineer, on the mission field they are using a Soccer School, a training project with children with about 100 Muslim children and teenagers in two cities. Mary, who is a pediatrician, is developing a project for children with neurological disabilities by visiting them periodically and working with families on the borders with Iran and Turkey. In addition, during the time of the pandemic she is serving COVID patients and developing a home health care ministry for people who could not go to the hospital.**

**In 2020, they were charged with the responsibility of mobilizing more professional Latinos to the field, so in 2021 we have been able to mobilize 15 Latinos from different nations to serve in the Middle East with their professions.**

**In May 2021, they were approved as part of the Latino Mobilizers program of Global One80, a U.S. mission agency.**

**By 2022, they have a project to start a missionary school for Latinos in Iraq and already this year 2021 they have started the pilot to prepare future missionaries that will bless the nations.**

In 2013, God called them to serve as youth pastors of the Christian and Missionary Alliance church in the city of Trujillo and they managed to lead more than 150 university students.

Since 2014, they joined the Simply Mobilizing Peru movement. Their role has been to mobilize the local church to get involved in the Great Commission, development of many courses and trainings to send for the first time Peruvian missionaries to different places in the world. In addition, they have mobilized the local churches in Peru to develop missionary strategies.

However, the call to the nations was always present from their youth and became stronger when God spoke to them with Isaiah 49:6, saying that it was too little for Him to serve in Peru alone, that He had called them to be a light to the nations.

D & M married in Peru and have two children.
