

# Christmas 2024, Buenos Aires

*But when the set time had fully come, God sent his Son, born of a woman, born under the law, to redeem those under the law, that we might receive adoption to sonship. Because you are his sons, God sent the Spirit of his Son into our hearts, the Spirit who calls out, "Abba, Father." So, you are no longer a slave, but God's child; and since you are his child, God has made you also an heir.  
Galatians 4: 4-7.*

## ***Prayer point and thanksgiving***

✚ In November, Ruth was baptized in our church, which fills us with joy and gratitude to our good God, to be able to see our daughters following Jesus' teachings. They both finished their school year well and are preparing to serve in the church next year as well.

✚ We give thanks for the youth group from our church where we were able to give a mission/mobilization course and we were able to see how God worked in the lives of many of them, helping them understand their mission and purpose for the church. As a way to express what they learned in the course, they made a poster with the word mission and all of their hands. Some were encouraged to tell their friends and schoolmates about Jesus. This was a pilot course (tester) that next year we will be giving in different churches that require it.

✚ We pray for the ten participants in the training to go out to the mission field that we ran in October (this was the second one this year), of whom, three will go out to the ships in February 2025. Some of them were in the process of defining their calling and seeking God's guidance to define his place in the great commission. The course was also good to consolidate our team of facilitators.

✚ We give thanks for the pastors and leaders who joined the Interface and Kairos seminary, who were challenged to develop missional churches.

✚ We pray for our church's and Corcovado's January camps, so that young people may be encouraged to follow Jesus and share their faith with others. Also pray for the churches in Esquel and Corcovado (Patagonia Argentina) where we will be sharing with the people there.

✚ We pray for the possibility of visiting workers in Türkiye and participate in the international OM leadership meeting in March 2025.

*Thank you for being part of this ministry through your prayers and financial support.*
