

We would like to share a little bit of what the Lord has been doing during these months...
Thank you for partnering with us in this ministry!

In July, I took part in the youth camp organized by the church in Río Blanco, Mexico, which was held in the mountainous region of Xoxocotla.
There, I had the opportunity to share the Bible study each day and had good conversations and counseling times with several campers.
It was a wonderful time, sharing God's Word and seeing how He works amazingly in people's lives. Several young people have accepted Jesus as their Savior during that camp.
I also had the opportunity to participate and share the message during the Sunday service at the church in Río Blanco, visit the church in Zongolica, and preach there as well. It was a week filled with service and a great time to reconnect with dear friends whom we hadn't seen in several years.

In August, we participated in the JEA Buenos Aires camp representing OM. There, we shared about global mission work and presented training and service opportunities to many youths.

On September 5th and 6th, we had our OM team retreat in Argentina where we were able to see each other, learn together, and plan activities to expand the ministry throughout the country.

From September 20th to 28th, Ale, myself, and three other facilitators were in Brazil leading the "Face to Face" course for OM field leaders across Latin America.
We thank God for this beautiful opportunity to serve others through this course, which allowed us to study the character of God and evaluate our own lives considering His Word. We were able to share, encourage, and plan together so that the kingdom of God may expand where it is not yet known.

Prayer points:

- **We give thanks** for the young people who were challenged with God's Word in Mexico and Buenos Aires, and we pray that the Lord continues His work in their lives.
- **We pray** for the OM team in Argentina, that we may be sensitive to the Holy Spirit's guidance regarding missionary work as well as the needs of the team...
- **We pray** for the upcoming camps and trips during the final part of the year, asking for faithfulness and wisdom to balance family, church, work, and OM...
- **We give thanks** that Ruth, our youngest daughter, is preparing to serve aboard *Logos Hope* next year.
