

KADIR, DINA & BELÉN

Latino Mobilizer
(Central Asia)

FOCUS

Kadir, Dina, and Belén are a multicultural family called to serve among the least-reached Muslim peoples of Central Asia. They will soon be going out into the mission field, being part of the “Living Dead Silk Road” training team, establishing a widespread presence as a church of Jesus Christ in the Central Asian region, driving evangelism and discipleship movements, supporting local believers, and mobilizing churches in the region.

Kadir has been a mobilizer with Simply Mobilizing Colombia, a mission mobilization organization. He is currently a member of the New Nation Coordination Team for Panama and the National Coordination Team (NCT) for Colombia, which he coordinates at the national level along with his wife Dina, who is one of the Accredited Facilitators at the international level.

JOURNEY

Kadir received the call of the Lord Jesus Christ in 2010. Since then he has developed ministerial work that confirmed the call with passion and missionary focus. In July 2014, he traveled to the Dominican Republic, where he would have his preparation in theological studies at the Central Bible Institute of the Assemblies of God in Santo Domingo.

Dina received the Lord Jesus Christ in the year 1998; since then she has served in the local church in the children's area as a Sunday school teacher and a member of the Castillo del Rey ministry. She received her calling in 2003, and it was in 2006 that she joined the Quisqueya Master's Commission (CMQ) school.

In 2012, she became part of the National Staff of Castillo del Rey as Director of Discipleship and later Coordinator of the area of Evangelism and Discipleship Club Castillo. Kadir and Dina got married in August 2017, and since then she has been serving full-time in ministry, growing together, and has a 3-year-old daughter named Belén.

In May 2021, they were approved as part of the Latino Mobilizers program of Global One80, a U.S. mission agency. In January 2023, they were approved as cross-cultural workers to be sent to serve in the least-reached villages of Central Asia.

They are currently on an outreach and fundraising tour in Colombia, the Dominican Republic, and the United States, and together they continue to move forward in mobilizing the church and its believers for God's mission.

“For there is one God and one mediator between God and mankind, the man Christ Jesus.” 1 Timothy 2:5

Global One80

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
