Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Since 2008, Ashley has been serving faithfully with the Recovery House of Worship Church Planting Movement, where she has reached, served, trained and sent people in/ seeking recovery. God has used her to impact their lives and the lives of their family and friends all over the world.

Ashley continues to do the same with a new adventure added: establishing RHOW Women's Faith-Based Homes called Rahab's Refuge. A place where women can find faith-based healing with 12-step meetings incorporated while they learn how to be productive members of society.

Ashley Polverelli is the oldest of 13 children, and has a growing number of nieces and nephews. When she's not spoiling her nieces and nephews, she can be found joyfully riding horses, hammocking on the beach or doing a plethora of other whimsical things that bring her joy in life as well as meaningful times with the Lord!

At the age of 13, Ashley accepted the Lord, and it has been a wild ride since! She started out in campus ministry when she was 21, newly sober and totally unaware of what He was really calling her to do in life.

The Lord kept bringing the drug addicted and alcoholic college students and their parents to her, so her supervisor at the time found a more fitting ministry to transfer her to, and the rest is history!
