Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

**IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

**INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

**David has a vision to help young people who have been abandoned and think they have no future. His plan is to provide social, spiritual and recreational support. His desire is to provide a refuge for this community of young people with scholarships, food, school supplies and medicine. Through activities like these David wants to share the gospel and provide the youth with another way out, giving them hope that can only be found in Christ.**

David was born in Guatemala City, he is the third generation of ministers in his family. His maternal grandfather has planted more than 40 churches in Guatemala, Honduras and Belize and is the founder of a mission agency in Guatemala. Since he was a child his eyes saw the passion and love with which his grandfather worked, that awakened in him the desire to serve God.

From the age of 3 years old, he would get up at dawn to start the workday of building churches next to his beloved grandfather. They were very long and heavy days, but it was an adventure to be at his grandfather's side.

In 2005, the Lord called his entire family to the ministry, and his father began a pastoral ministry. A wonderful ministry that lasted 13 years.

David has been working to help support the family and studying at the same time. In 2018, he graduated with a Bachelor's degree in Computer Science and is currently a Computer, Bible and Physical Education teacher, that's where his passion for souls began to take shape. Being a teacher has given him the opportunity to share the love of Christ with the young people he teaches. Many of them seek an outlet for their problems in drugs, glue and gangs. However, David shares with them the love of Christ and how He can transform their lives.
