

## DIAGU FAMILY

Movilizador Latino  
(West Africa)

### FOCUS

The Diagu Family has developed a ministry to children and teenagers. Through a cup of milk and cookies, they share at believers' houses values and principles based on the Bible. In 2018, they extended into another village where they impacted the community with the repair of the school that was in poor condition.

When COVID hit the country, they suspended the delivery of cups of milk and started with first aid and medical treatment for various infections. They also managed to cover the surgery on the leg of a child who had been ill for three years, which caused a great impact on the community.

### JOURNEY

In 2001, they accepted Christ and began to serve in our local church. Soon after, they were discipled and trained in leadership.

In 2009, they received the call to serve the nations, specifically in West Africa. That same year they began Bible training.

In December 2015, they traveled to an undisclosed country in West Africa with their 13 year old daughter, and lived there until March 2016. They got to know the land and decided to return in 2017 to work on church planting.

In 2019 they decided to live in the village, this allowed them to learn more about the needs of the community.

In 2020, Pastor Bono and his wife, who is a nurse, joined them in their call to this mission project. The Diagous have trained them in intensive discipleship in terms of practice in the field, leaving them in charge of the project since October.

In 2021, in January, Bono and his wife began the outreach to a neighboring village where they began to pray for some people and in May they planted the first church in the village of K... The Diagous plan this year to extend to another country with church planting.

Global  
One80

**Global One80** is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Empowered Leaders ➤ Transformed Communities

## OUR MISSION

“Empower leaders to transform communities with the Gospel, one life at a time.”
