

JUAN PABLO & ASBEL

Líder Emergente
(México)

FOCUS

Juan Pablo and Asbel Sanchez are a young family that focus on planting a church in the North of Saltillo and bring it to maturity working mainly among young professionals and their families.

JOURNEY

Juan Pablo was born and raised in Arteaga, Coahuila. He heard the Gospel through an American Missionary couple. He has been involved in the service of the church from an early age and even pastored his home church for six years.

On the other hand, Asbel was born into a Christian family and became a believer at an early age. She has actively been involved in ministry in all the churches she has belonged to. Before returning to His Father, our Lord Jesus Christ gave them the Great Commission. As they see in the book of Acts, the apostles understood that the best way to fulfill it was planting churches.

Juan Pablo and Asbel are planting a church in the North of Saltillo among a group of young professionals. The North side of town is the most unchurched area of the city. Also, young professionals are a demographic group that has been overlooked by pastors and churches. Additionally, every other Sunday they discipline a group of families in San José de las Boquillas, a small village in the mountains of Santiago, Nuevo León. Currently three families attend the Bible studies.

They are convinced of God's calling in their lives and have faithfully served Him in the context of their local churches under the leadership God appointed over them and are keenly aware of the great need that exists for more churches. They were married in 2016. They have three children, José Antonio, Marco and Amelia. Together they embark in this endeavor to serve God

Global One80

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
