Empowered Leaders

Transformed Communities

Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Hugo and Tania Matos are experienced church planters, collaborators and coordinators of multiple missionary organizations throughout their extensive ministerial trajectory, helping in the expansion of the kingdom of God and encouraging many leaders and missionaries in the 5 continents.

Additionally, since 2012 he serves as a member of the Board of Directors and as Director of the Bible translation movement United Translations of the Caribbean United Translations for Ethnicities (TRADUCE).
