Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Ricardo and Florencia serve as tutors to groups of teenagers and children teaching them the Bible and assisting in their education as well as adult literacy in Buenos Aires, Argentina.

In 2016, they were prepared to serve God and we undertook a missionary training called EMPI.

In 2019, they moved to a town called Sauzalito, in the Chaco Impenetrable, Argentina. The village is surrounded by the immense mountain, on the banks of the Bermejo River, bordering the province of Formosa, the nearest town is 270 km away by dirt road, impassable when it rains. In this area of Argentina, a large percentage of the population belongs to the Wichí ethnic group of the original peoples.

In this place, they joined a local church of Baptist denomination, and together with their brothers they served in different areas.

Ricardo and Florencia lead a work that the church had started in a place (rural area) 70 kilometers from Sauzalito. There they teach the Bible book by book in order to leave a solid foundation for the work to continue in the hands of local brothers and sisters.

As of 2019, the work became the responsibility of a closer congregation, they continue with the teaching task in collaboration with them.

In Sauzalito they serve other brothers by attending a group of teenagers and young people. There are approximately 40 kids, who attend every Saturday to share, receive Bible teachings, and are given help in their studies.

In 2021, Ricardo and Florencia began to personally disciple some of them 5 km from Sauzalito, in Vizcacheral.

There, 40 to 50 children gather every weekend to have breakfast and receive biblical instruction. In this task we accompany a local couple who teach in the Wichí language.

They are currently serving as volunteers for an organization called Alfalit that teaches adult literacy. During the week they teach several adults in their homes. This year 6 brothers from the congregation have been added to this task.

Ricardo and Florencia are Argentines from the province of Buenos Aires, Argentina.
