Empowered Leaders

Transformed Communities

Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Sergio was born in Guatemala City and his encounter with Jesus was 21 years ago. He is a Public Accountant and Auditor by profession, but his vocation is to be a full-time mobilizer and missionary. He has studied in 2 seminaries and has received courses in different areas and the last 7 years with emphasis in cross-cultural missions.

He has been congregating in a local church for 10 years, has been an Elder, Coordinator of the Missionary Development Team and Treasurer of the Board of Directors.

Sergio is the National Coordinator of Simply Mobilizing Guatemala since 2018, together with the team of Facilitators have the mission to mobilize the whole body of Christ towards the Great Commission.

Since 2017, he travels every week to an indigenous community in the country 80 kilometers away called Chuixilón and dedicates 2 to 3 days for this visit, while the rest of the week he provides financial and tax advisory services to individuals and companies.

The activities that Sergio carries out in Chuixilón are several, among them: attention to 11 widows, talks on Christian principles and values to more than 150 elementary school students, home visits, school assistance to 13 middle and high school students, Bible school for 30 children and others.

In each meeting there is a biblical teaching appropriate for its audience, it has also received groups of local and foreign missionaries. For all this it uses the facilities of the school and has some volunteers from the community. As a result of sowing the seed of the Word, several people have made their prayer of faith.

Sergio also offers talks on Christian values to about 350 primary and middle school students from another nearby community in 3 educational centers.

There is no evangelical church. There are only two Catholic churches, so it is considered a white field. There is no recreation center for children and young people, nor is there a high school.

Sergio and his wife Lorena have a family of 5 children and 3 grandchildren, which they formed 38 years ago.
