

18 And Jesus came to them and spoke unto them, saying, All authority hath been given unto me in heaven and on earth. 19 Go ye therefore, and make disciples of all the nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit: 20 teaching them to observe all things whatsoever I commanded you: and lo, I am with you [a]lways, even unto [b]the end of the world.

Mathew 28: 18-20

REACHING THE LOST

Sharing Christ with others is the most thrilling and rewarding experience a person can have. You can make a difference by introducing your family, friends, and classmates to Jesus Christ. People desire and require personal knowledge of God, and hence there are numerous possibilities to share the good news wherever you go.

Evangelism is a mission that began with the earthly ministry of the Lord Jesus Christ. It was the impetus for everything about the Christ or Messiah, and it was a work that Jesus was tasked with by God, his father.

His disciples were called to share the gospel from Jerusalem to the ends of the ends of the world. Today, the church is called and sent by Him to finish the task.

As believers in Christ, we possess the knowledge that places us in a position of responsibility towards every human being who does not know Him. Having a Savior who is the only one capable of delivering us from the guilt and power of sin implies a heavy burden. While we receive gospel knowledge from others, we do not claim it exclusively for our use. **Christ experienced death for each man, and He longs for all people to hear the joyful news of his redemption.** Because God views all nations and ethnic groups as equal, they all have equal access to the gospel. Christians in the modern era are only trustees of the gospel, not sole proprietors.

Global One80 has missionaries in 16 countries now that are sharing the good news of salvation. Missionaries, like Eliseo Macedo who as a young leader has been sharing Christ in Cusco, Peru. He is committed not only to share the gospel with them, but also to serve the most vulnerable, like the elderly and the children. A ministry that he is developing by empowering young leaders that he wins for Christ, trains them and releases them to serve people.

Global One80 strongly encourages you to assist and support missionary activity in your own community and around the world. Also, support missionary work, as they are "the feet of those who are unable to travel." Many of them are in difficult circumstances due to the place where God has called them to minister. Your generosity makes a significant difference in the Great Commission and the lives of these individuals.

There is no better time to join the mission to reach out to those who have not yet encountered Christ than now. Let's get started.
