Empowered Leaders

Transformed Communities

Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

F&M have been called by God to serve in Central Asia in the midst of Muslim villages. They are currently preparing to go into the field in the spring of 2023. Their goal is to join a team and in partnership with the local church serve within the church planting movement.

Their passion has always been discipleship and leadership training. A hallmark in their ministry is unity, especially in discipleship and marriage counseling.

In 2021 F&M began their preparation to go out to the mission field. In the last quarter they were able to take their exploratory trip to see firsthand where and to whom they will be serving.

In 2020, F&M began pastoring a daughter church. God in His grace has enabled them to strengthen and equip the believers to continue the work when they go out into the field.

In 2019 F. began his master's studies in theology and later M. also began his master's degree. In addition to biblical studies they have their careers in Advertising and Administration, which they will be putting at the service of the ethnic group to generate a social impact on the youth, helping them to grow in an integral way.

At the end of 2018 they began serving within missionary organizations in the DR. During that time God confirmed in their lives His call to the least reached.

In 2017 they founded the Christian Family Life (CFL) ministry in Costa Rica and left it in the hands of a national couple. In 2016 they co-founded and began leading CFL in the Dominican Republic. This ministry focuses on marriage discipleship and pre-marital counseling. Through CFL they have been able to strengthen and restore hundreds of couples who in turn are impacting other marriages.

In 2014 they were serving at Word of Life reaching youth with the gospel of Jesus Christ. During those years they were able to disciple young people who are bearing fruit today.

In 2012 they were commissioned as missionaries by their local church to serve in the DR.

F&M met in March 2008 in Buenos Aires, Argentina, while studying at a Bible Institute. They married in June 2012 and have two children.
