### Ministry Journey

**Global One80** is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

**IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

**INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

### Our Mission

"Empower leaders to transform communities with the Gospel, one life at a time."

**Johan Rodriguez and Claudia Matos are mobilizers committed to God's mission and full-time workers among the least-reached ethnic groups in the Peruvian Amazon.**

**Since July 2019, they have been serving alongside their children Zoe and Zabdriel, among the Shawis and Condoshis ethnic groups in the Peruvian Amazon, discipling these groups with the oral method.**

Their vision is to evangelize the least reached ethnic groups in the Peruvian Amazon, specifically in the Alto Amazonas region, because although the gospel has reached most of the communities, the natives are in need of discipleship and training to reach their own people.

In addition, Johan and Claudia are focused on working with the children in the town where they live, for this they have different projects and activities that they develop with the children of the city such as: discipleship, music classes, theater, choreography and training of children's leaders of the different churches in the town.

Johan received Jesus at the age of 17 and has served in the ministry since 2003. During his first years of leadership he served in various children's ministries. Claudia received Jesus at the age of 8 and has worked in children's ministry since she was a teenager. In 2005 Johan and Claudia met at the missionary school where they studied and in 2008 they got married. They both had a missionary calling.

For several years they served as youth pastors and have focused on Bible teaching. They have always had a passion for discipleship and training believers to assume their role in God's mission.

They are currently missionaries sent by the Assemblies of God in the Dominican Republic to serve among the least-reached ethnic groups and support the local churches in Bible teaching and training.

They are also serving as teachers in various Bible institutes and as mission mobilizers in Peru.
