BULL06

Latino Mobilizer
(Sur de Asia)

FOCUS

God has called BULL06 to serve in South Asia. He has also helped mobilize the Latin American church—particularly in Puerto Rico and Paraguay—so that Christians may live a life of mission with God and thus reach all ethnic groups. As a missionary, God is calling him to build relationships with technology professionals from unreached ethnic groups, as well as to disciple young people and couples.

JOURNEY

In 2016, BULL06 began discussions with a mission agency; at the agency's suggestion, he took the Kairos course from Simply Mobilizing, which deepened and affirmed his calling to the mission field. At the same time, he also focused on beginning the process of mobilizing his local church.

From 2017 to 2018, BULL06 served as the missions team coordinator at his local church, guiding the team toward a deeper understanding of missions. The following year, he continued in his role as missions team coordinator and became the lead facilitator for the Kairos course; that same year, the first session of the course was held at his local church.

In 2023, BULL06 took an exploratory trip to South Asia, meeting different teams and learning about service opportunities, and participated in training on the use of digital media in discipleship and church-planting. During that year, he met COOKIE23, who would become his fiancée in May 2025.

In 2024, BULL06 took on the role of university advisor for an evangelical student ministry.

In 2025, he participated in the COMIBAM Mission Congress in Panama and in the working group on comprehensive care for workers, collaborating on a proposed curriculum for caregivers. In May of that year, he proposed to COOKIE23.

In 2026, he finishes his work on the sound and multimedia team to transition into discipleship and serve as a substitute teacher for the youth Bible school.

Young children entering the university as young adults. The fruit we are seeing is wonderful!

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
