Empowered Leaders

Transformed Communities

Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Joel is a mobilizer and pastor serving in the state of Puebla, Mexico. He is an industrial engineer and worked in the city of Puebla until he received a call from God to plant churches in a rural area in the northwestern part of the state. In addition, he serves as a mobilizer for the SM family in Latin America and dedicates time as a blacksmith, helping support his family and ministry. He is married to Raquel, and they have two daughters: Camila and Samara.

In 2010, Joel started attending a church in his town, Quechulac; Puebla, a new church, led by Iglesia Bautista Bíblica de San Juan Ixcaquixtla.

In 2015, pursuing his career as an industrial engineer, he was led by the Spirit to church planting, was ordained as a pastor in November 2015 by the pastoral leadership of Iglesia Bautista Bíblica de San Juan Ixcaquixtla and sent to the Northwest region of the state of Puebla to work in church planting.

Since 2015, he has served in the Simply Mobilizing (SM) movement that has as its vision to see all of God's people living a life on mission with Him.

He currently serves in SM as part of the National Coordination Team for Mexico; part of the New Nations Coordination Team for Cuba; New Nations Coordinator for Nicaragua, and most recently, he is part of the Training Team for the International Region Team, which aims to support the ECN and ECNNN in their development of training and courses in Latin America.

Additionally, he is working on raising funds for the construction of a temple that will serve as a base for different ministerial activities and the improvement of the local church; and also for two trips, one to Cuba in November 2022 and another to Nicaragua in 2023.

He is married to Raquel, his partner in life and ministry. Together, they serve as facilitators of SM resources and work in church planting with their two daughters, Camila and Samara.
