Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Victor is an active mobilizer in Guatemala. He serves on the National Coordination Team of Simply Mobilizing Guatemala through its various level 1 mobilization resources. He seeks to lay a foundation for Christians and the local church to become meaningfully involved in God's global mission to the nations, emphasizing outreach to the least-reached ethnic groups and the shift to a biblical worldview oriented to God's mission.

Its vision is to train pastors, leaders, and Christian ministries in Guatemala and other countries in the region through different level 1 mobilization courses.

Victor was born in Guatemala City. In the year 2000, he received Christ as his Savior. That same year, he married Prana Villagrán, and in 2005, his only daughter, Sara Yuliana was born.

In 2006, Victor, a graphic designer, and Prana, a medical doctor, decided to prepare themselves to serve the Lord and began theological studies, culminating in 2011. Victor, now Minister of the Gospel, begins his work as a teacher in theology.

In 2014, both received the first Simply Mobilizing Kairos course in Guatemala. Since that year, Prana has been fully dedicated to the medical area. Victor continues his training path in this ministry, becoming the Lead Facilitator and Systems Coordinator in the National Coordination Team.

Victor's pastoral work has allowed him to mobilize the Church in Guatemala and Latin America by teaching specialized courses in missions, which have involved many leaders and churches of different denominations to establish Missional Churches. He has traveled to many places in Guatemala, and his main objective is to mobilize the entire Body of Christ in Guatemala and other countries in the region toward missions. He also organizes the media structure of Simply Mobilizing in Guatemala and El Salvador.

Victor leads the missionary area in his local church, where monthly Mission Worship services are held. Part of the mobilizing work that Victor has been doing since 2014 in Guatemala is available at:
