Empowered Leaders

Transformed Communities

Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Estebin is a young theology and engineering student. Currently, he serves as a Stages of Interest Coordinator for the Pioneers Dominican Republic organization. In addition, Estebin develops his ministry life at the Iglesia Bautista del Nuevo Pacto, where he has served in various aspects of local church service since 2018. He has focused on training in courses and workshops regarding learning other languages and cultures. Since that time, he has been involved in local service in the missions department.

Estebin was born in Santo Domingo, Dominican Republic, in 1992. He met the Lord Jesus Christ when he was 15 years old, and since then, his endeavor and activity have always been to share the gospel in every place where God has allowed him to serve and visit.

In 2007, he began his growth in faith in the Arca de Salvación Inc church. From the first months, God allowed him to know God's word and serve in different church departments, allowing him to serve for more than 10 years as a preacher and Sunday school teacher. Additionally, he served in the church plant "Todos para Cristo", and the "Iglesia Arca de Salvación 2da," both in the community of Cotuy.

Since 2018, he has been a member of the Iglesia Bautista del Nuevo Pacto, where he has been serving until the present day. In this time, God has also allowed him to be involved in various ministries of the church: Worship, Villa Altagracia, and Missions.

He is also doing the work of a mobilizer for the local church with activities and promotion of Kairos and other missionary courses with the desire that the church can know their role in the mission of God.

Estebin is helping brothers from different denominations approach the word of God, discover God's plan for their lives, and serve in the mission field while preparing to do full-time and reach the unreached groups that have not yet heard the gospel.

In addition, he is training at the Dominican Baptist Theological Seminary and studying aspects of God's mission in courses given by Simple Mobilizing, Kairos, ILI, Moví 101. He has also been trained in learning the Arabic language and Muslim culture.
