Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Armando is one of the pastors of Familia de Fe Monterrey and is connected with some ministries that support new planters. He is currently training people who can plant healthy churches in Mexico and training workers to preach the Word of God faithfully, as well as other leaders to serve the local church.

Armando was born and raised in a small city in northeastern Mexico called Victoria, the capital of Tamaulipas. He lived there until he was 17 years old and then moved with his wife to the city of Monterrey. It was here that he met the Lord and was converted to Him 19 years ago.

Armando has served in different ministries within the local church. He studied Marketing and graduated from the Bible Institute of Practical Theology here in Monterrey. After finishing his studies, he was sure that God was calling him to pastoral ministry and had a path full of processes for his life.

From 2018 to 2020, he pursued a Master's Degree in Theology with an emphasis in Expository Preaching at UCLA in Guadalupe, NL.

For almost two years, he was discipling different people. In his house, there were always people receiving teaching from the Word. As a result, many young people and couples sought Armando and his wife Gaby for counseling, and the desire to plant a church was becoming stronger and clearer.

In December 2016, they took the call the Lord gave them to "make disciples" and responded to Him by planting a church.

In January 2017, the Ortiz family began an evaluation process with the Acts29 Latin America network. In mid-2018, they have already opened services to the public as Iglesia Cristiana Familia de Fe in Monterrey.

At this moment, together with two other elders, they are pastoring Iglesia Cristiana Familia de Fe, south of the city of Monterrey. Armando and Gaby are part of the Acts29 network (www.acts29.com) and Familia SOMA (www.wearesoma.com). God has allowed them to serve in a preaching ministry called Predica Vida (www.campovida.org/predicavida/), where they train workers to handle the Word of truth better. In addition, they have the vision to plant more churches.

Jose Armando is married to Gaby are the parents of 4 little ones: Sofia (6), Matias (5), Judah (3), and Constanza, who was born in January 2022.
