Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Hansy is part of the Pioneers RD executive team as the coordinator of the knowledge stage. In Simply Mobilizing (SM), she is Lead Facilitator FP, a member of the New Nations Coordination Team ECNN of Paraguay and Panama, and coordinator of the ECNN of Equatorial Guinea. She is the most recent member to join the ECNN National Coordination Team of the Dominican Republic as coordinator of the Eastern Region. In addition, she is an active mobilizer of the churches through training with SM courses and ILI of Pioneers.

Hansy Solano was born in 1986, in San Pedro de Macoris, Dominican Republic. She grew up in this same province with her brother Albert, and they were raised by their mother Mirelis after the early death of their father.

She was saved in September 2004 and became part of the Christian Bible Church of Consuelo. There, she discovered her gifts of service and exhortation by serving in various ministries.

Hansy Solano serves in the service ministry as part of the temple cleaning and adornment team. She is also in personal discipleship and participates in systematic evangelism through the Felipe Project. She has always worked in outreach ministries. Hansy volunteered in her country's social assistance program in 2013 and then worked as an employee until 2020.

In 2014, she became independent from the mother church to plant Grace and Truth Bible Church in the same community, which she started as a chapel in 2010.

Since 2017, she has been part of the "Congregación Bíblica Cristiana Las Caobas". She immediately entered the service ministry, personal discipleship, and evangelism there.

As a member of this congregation, she knows about the Kairos course from SM. Through this course, she receives the call to mobilize the body of Christ and a life of Mission to take the gospel to the ends of the earth.

Currently, as with the ECNN of Equatorial Guinea, she is coordinating her move to Equatorial Guinea and mobilizing the Church in Africa to reach the ethnic groups of this nation and others in the region.
