Empowered Leaders

Transformed Communities

Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Luis and Isa have a calling to serve among those who have not heard the gospel of Christ in a Muslim context. They have been preparing themselves in different areas to serve full-time in the mission field. In their respective churches, they served by ministering to teenagers, and youth, teaching, working in the local mission department and preaching the Word. In 2021, they married with the motivation to serve God's mission as a family.

Luis was born into the context of a Christian family where he was instructed in the faith. However, as a teenager, he really understood what it meant to follow Jesus on his own. From that moment on, he became passionate about knowing the Word of God and sharing it with his friends. It was then, in 2015, that he decided to study at a theological institution to train to serve in the ministry as a pastor and met the woman who is now his wife.

Isa was born in a village south of the DR, in the context of a highly idolatrous family. She met the Lord in 2008 through the invitation of a friend. From that moment on, her life took a turn, and she put her career and her whole life at the service of the Lord, understanding that the Lord was calling her to the ministry as a missionary. After serving in different ministries in the church, she decides to study in a theological organization to prepare herself to serve as a full-time missionary.

Both are part of Simply Mobilizing, where they serve as facilitators and mobilizers to advance the mission in the Dominican Republic. They are also part of the executive team of the mission agency Pioneros RD, a local representation of Pioneers. In addition, Isa currently assists in the direction of a national ministry focused on reaching young people in universities to know Christ.

Luis and Isa serve together in their local church as they prepare for their departure to the mission field.
