Empowered Leaders

Transformed Communities

Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

"Empower leaders to transform communities with the Gospel, one life at a time."

Currently, Harold and Ericka serve their home church "Casa 2:42" in San Jose, Costa Rica. They focus on mobilizing not only their own church, through missional courses, but also move the church in Costa Rica. Harold is a Simply Mobilizing lead facilitator for Costa Rica and is also a member of the New Nations SM team for Nicaragua.

Additionally, they feel a calling to cross-cultural missions, more specifically they have a heart for the Hindus in Nepal. Their focus is to work in evangelism and discipleship in rural villages.

Since before they were married, both Ericka and Harold felt a desire to go to the nations and actively participate in God's global mission. Once married, that calling was confirmed on a short-term trip to Cuba, where they were able to participate in training and teaching with several leaders from different local churches.

Ericka has a gift for worship and continues to become certified in positive parenting, to serve children and their families.

"We believe that our Lord Jesus has left us in His Word the clear example of leaving the 99 to go after that sheep that was lost. For that reason, we are willing to leave everything in our country to go in search of that lost sheep that are the unreached ethnic groups."

This beautiful family of Ticos is raising funds for an exploratory trip to Nepal.

The Espinal Knutsen family has a 2 year old daughter named Olivia, and a new member on the way.
