Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Katherine currently serves as a full-time missionary with the Global Mission Society team. She has been focused on university ministry in Venezuela, forming influential groups in the universities through discipleship to extend the kingdom of God and teach biblical worldview to the university students who will lead Venezuela in the future.

She is also part of the national coordination of Simply Mobilizing and national facilitator of Ready Set GO Venezuela, to serve the church both in Venezuela and Latin America, training and mobilizing young people to understand their place in God's mission in society and to serve strategically with valuable tools for the mission.

Katherine was born in Valencia, Venezuela. As a high school student, she met Christ when she was 16 years old through a missionary, the father of her best friend, who preached and disciplined her. Since then, she began to follow and serve the Lord with passion.

She is an imaging/radiology graduate and is currently a psychology student.

In 2017, she began studies at the Intercultural Missionary Training Center in Valencia, Venezuela; she wanted to prepare herself to respond effectively to the call that the Lord had given her to missions.

In 2018, she was part of the Global Leadership School (ELG), a school based in Aragua, Venezuela, whose focus is teaching the biblical worldview and leadership development. She was training as a student for a year, and from 2019 to 2020, she began to serve as a leader in the administrative area, evangelism, discipleship, and small groups within the Central University of Venezuela (Caracas) and the University of Carabobo.

In 2020, she also studied virtually at the Ready Set GO School of Sports Missionaries and took a seminar on inner healing and leadership with YWAM.

In 2021, she participated in the School of Sports Missionaries of Ready Set GO in person. In 2022, by the grace and love of the Lord they were able to raise a team of university leaders to serve at the University of the Andes. And she is currently serving in the sports missionary school in Venezuela as part of a team of facilitators.

Katherine is committed to forming effective youth teams in Venezuela and mobilizing them to live in God's mission in Venezuela and Latin America.
