Empowered Leaders

Transformed Communities

Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Nicolas is one of the first Latin American missionaries to arrive in Cambodia with his family in September 2002. He is dedicated to planting new churches among the Cambodian-speaking people. He is currently involved in evangelism through Bible study groups, discipleship of new believers, and training of native workers. He is also involved in the translation of Christian Education material.

Nicolás was born and raised in a small village in eastern Guatemala. Although the region is predominantly Chortí, he did not speak the region's language. At 15, he came to know Christ as his personal Savior and began a new life, leaving the traditional church.

At eighteen, he began Bible studies by extension. Nicolas has completed several theological studies. He also has a diploma and a bachelor's degree in theology from "Berea" Friends Theological Seminary in Chiquimula, Guatemala. In addition, he has a professorship in Theology and completed a bachelor's degree in theology at the Nazarene Theological Seminary in Guatemala City.

After serving for several years in different ministries within his denomination, Nicolas serves as a missionary church planter in Cambodia, Southeast Asia. With the help of twelve leaders he has already trained, he does the work of evangelizing both adults and children. He currently ministers to 378 children in seven villages in Kampong Chhnang province. He also trains 20 new leaders in the local church Bible school.
