THANKFUL IN TIMES OF DIFFICULTY

The year 2022 has been challenging for many people, and it may be tough for some of them to be willing to count their blessings amid crisis, war, and political uncertainty. Despite this, **God loves us unconditionally and is all-powerful.** Besides that, we continue to endure the realities of the worldwide issues affecting humanity.

Looking back on how we started 2022, we would never imagine we would be in the place we are right now. We struggled with sickness, surgeries, risky travels to East Europe, and many other activities. **Nevertheless, the favor and mercy of our King were on our side the whole time.**

This year has been a struggle for us, but we have tremendously experienced the grace of God. **Our work has not slowed down, yet God has provided the resources to keep the Mission growing.**

This year God allowed us to start the Latino Mobilizers program, a ministry to empower Latin American leaders willing to fulfill the Great Commission. Thanks to this initiative, **we have more than 30 mobilizers. Global One 80 is officially on five continents, with more than 60 leaders total, actively working on community projects and ministering to thousands of people with spiritual needs.**

This unexpected growth is a great surprise for us and a confirmation that God is leading us in the right direction, **Empowering Leaders worldwide to spread the Gospel.** We feel grateful to count on your donations, strategic alliances, and cooperation with individuals, churches, businesses, and organizations. This year, **we praise God that we experienced a growth of 50% in donations in comparison to 2021.**

Even though the task is too large to do it alone, we are happy to know God has moved the hearts of so many people this year. Because of people like you, **God is moving all of His Church to keep the Mission going.**

We have many reasons why we feel thankful. God has done amazing things through the leaders and staff of Global One80, so we want to tell you that He could do it in your life, as well.

We thank you for your contributions, prayers, and support throughout 2022. We pray for the Lord's blessings in your life.
