Empowered Leaders

Transformed Communities

Ministry Journey

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus.

We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus.

We empower our leaders by:

IDENTIFYING emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.

INVESTING in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.

Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.

Our Mission

“Empower leaders to transform communities with the Gospel, one life at a time.”

Tyrel and Natalie live and work in one of the most atheistic countries in the world, the Czech Republic. Tyrel uses his background and passion for media and new technology to spread the gospel in the local media industry and encourage, train, and empower the local church to apply media and new technology to reach their country for Christ. Natalie works in politics and business to influence her home country toward revival in Christ.

Tyrel was born and raised in Scottsdale, Arizona, to a Christian family and grew up attending Scottsdale Bible Church. Through the spiritual influence of his family, Sunday school, and AWANA, Tyrel decided to follow Christ at an early age. Tyrel started his missional journey by making short-term trips with his church's high school ministry. He first visited the Czech Republic in 2003 on a short-term mission trip to serve at an evangelistic English camp. Tyrel's wife, Natalie, a native Czech, came to faith in Christ through the witness of her local church youth group and English camps. Tyrel returned to serve at these English camps in the summers while pursuing his other passion: visual storytelling as a director working on films, television shows, and web series.

Tyrel and Natalie met at an English camp in 2009, where Natalie served as the camp translator. Their friendship grew over years of serving alongside one another at English camps. Tyrel moved to the Czech Republic in 2015 to work full-time as a media specialist for the Josiah Venture missions' organization. Tyrel and Natalie were married in January 2018 and made their home in Prague.

Now serving with Global One80, Tyrel uses his skills and passion in media and new tech to develop the concept of video evangelism further and share the gospel through film and his relationships with people in the film industry. Likewise, Natalie is pursuing the inroads she has to be a light in business and politics.
