Latino Mobilizer
(Mexico)

FOCUS

Christian Areli is the Director of Maná, Museo de las Sagradas Escrituras, the first Museum of the Bible in the Americas, located in Mexico City, which exhibits and academic programs make it possible for visitors to encounter the beauty, history and central message of the Scriptures.

JOURNEY

At the age of 8, Areli made the decision to call Jesus Christ as Lord of her life within a community of Christian faith. From an early age she enjoyed being involved in local church service, actively participating in the missions committee and weekly evangelism activities. As a teenager, for 7 consecutive years she served during his summer vacations in various churches in the interior of the Mexican Republic through the ministry known as Summer Missionaries, which prepares young people to teach evangelistic clubs for children. All activities of singular formative value, which stimulated and strengthened the call of God for his life.

After finishing his career in Social Work and with the willingness to formally prepare for the ministry, she met the Museum of the Bible at the end of 2011, in a cycle of film-debate on the Reformation. She found a space of the highest spiritual and academic commitment to the historical-theological reflection of the Scriptures.

The message she heard from the president of the Museum about the principles to which the Reformation invited us to return in every age confronted his innermost being and prompted her to seriously start her biblical training in languages, biblical sciences and philosophy of religion. The Reformation, the founder and president of the Museum pointed out, reminds us that salvation is by grace. Likewise, the sanctification of the believer's life can only be rooted in grace. No practice, spiritual discipline or rite has the power to transform our lives, but only grace manifested in living and loving communion with Christ.

A year after beginning her formation at the Museum, the Museum's president invited her to collaborate in formative activities; starting in 2019, she was invited to direct the Museum, an activity she carries out to date, in addition to actively participating in her local faith community.

Global
One80

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
