FOCUS

Luis Dayan and his wife Abigail are a Cuban missionary couple who work as Co-Pastors of their local church. They contribute in the training and preparation of believers from various churches as facilitators of the Faith Bible College in the west of the country. They are missionaries in a field of their local church and are preparing to go to Malaysia as cross-cultural workers.

JOURNEY

Luis Dayan was born and raised in the municipality of San Cristobal in the province of Artemisa, Cuba. Since childhood he has been involved in dance, worship, theater and preaching ministries in his church. Likewise, his wife, Abigail, has been involved in pastoral and missionary work since childhood, as her parents were pioneers in this field.

They got married when they were 20 and 23 years old respectively, getting involved full time in the ministry as Co-Pastors in their local church; working in different areas such as: preaching, discipleship, visitation, worship, youth and children's groups. In addition, they contribute in cell or small group planting, training leaders as facilitators of Faith Bible College Theological Seminary in the western part of the country. Currently they have completed their Master's and Bachelor's Degrees in Theology respectively, but continue to improve their skills. They are also equipping themselves with different courses in the area of cross-cultural missions and in the Missionary Training Center (CEMS) Sembradores.

Luis Dayan and Abigail have felt God's call to cross-cultural missions, for which they are preparing and equipping themselves. Their desire is to go to Malaysia next year; for God has touched and moved their hearts for the need of the preaching of the gospel. Because in the world there are approximately 84% of people who do not know Jesus. Therefore, they have felt the burden in their hearts to speak of Christ to those who have not heard of Him yet.

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
