

HOSEA & HADASSAH

Latino Mobilizer
(Middle East)

FOCUS

Hosea is a missionary from his church in Cuba. Together with his wife, Hadassah, they are actively involved in this work, established in one of the least reached places in their locality. Hosea is part of Sembradores, a ministry focused on church planting and training missionaries. It also works in the promotion and extension of biblical discipleship as part of a ministry focused on the formation of multiplying disciples. They are currently preparing for a future mission trip to the Middle East.

JOURNEY

Hosea was born in a small village in the westernmost part of his country. From the first years of his life he was involved in missionary and pastoral work, since his parents were the pioneers of the gospel in that place when they planted the first church. After several years his family moved to another province of the country, where they continued planting new churches.

In his adolescence he received, from the Lord, the call to missions. At the age of 22 he married his wife, with whom he shared a common dream: to serve the Lord in full time cross-cultural missions in the midst of the Muslim culture. Feeling the call specifically to the Middle East, where they hope to be by the first months of next year. For this purpose, they have attended Digital Universities, graduating with degrees in Digital Media and Journalism, Photography and Integrated Missionary Care. As well as Hadassah graduated with a Bachelor's Degree in Information Sciences.

They are currently undergoing intensive training at the Center for Missionary Training (CEMS), in the cross-cultural area of missions. At the same time, they are preparing themselves theologically at Faith Bible College for a Bachelor's degree and later a Master's degree in Theology.

God has planted a call in their lives to cross-cultural missions, for which they are preparing and equipping themselves. They have the same dream, the same longing and a path defined by Christ to walk, and thus bring the good news of salvation to the least reached.

Global One80

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
