FOCUS

Rodolfo Cruces is a missionary pastor of the Association of Christian Churches Maranata of Caracas, Venezuela. Being the fruit of a planting at a university in Caracas, his vision is to reach out to universities and professionals. Additionally, he has a calling to go to Spain to gather the members of his church there and to found a church with a missionary vision to reach out to professionals and students.

Currently, he is developing projects for the benefit of people with low economic resources in Valle Verde, Miranda State. His strategy is to start doing recreational, educational, nutritional, and evangelistic activities with the children while simultaneously making contact with the adults. In the last few years, she taught a 3-level course with the children using material from the Bible League, and at the end of the course, she was given a special edition Bible for children.

In the meantime, she has been able to make contact with adults. With God's blessing, she was lent a house (with the option to buy one) where she can have meetings and be a point of reference for the community.

JOURNEY

Rodolfo was born in eastern Venezuela in a town called Chorrerón de Guanta, Anzoátegui State. From a very young age, he was interested in spiritual things. When he was 9 years old, he was very impressed by a movie about the life of Jesus during Holy Week, and later he found an evangelistic tract with figures. He read it and signed it, accepting Jesus as his savior, but it was not very clear because no one had explained anything to him.

Near his house, there was a small group of children who met in a house to study the Bible. Then they took him to the main church meeting. There was a clear presentation of the gospel, and that day he gave his life to the Lord, and he felt the assurance of his salvation. Since his conversion, he has always felt a call to missions, and over time, his strongest calling has been to start and plant new churches. He always has the concern that the church must always be growing and advancing.

After his baptism, he became a member of an evangelistic missionary team that conducted evangelistic campaigns in the cities, and with the fruit of that work, new churches were founded.

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
