MINISTRY FOCUS

Evangelist Clifford Masambuka is the founder and senior pastor of Book of Life (BOL), a registered nonprofit church and ministry headquartered in Zomba City, Malawi, with branches in several regions across the country. His calling and passion center on spreading the Gospel of Jesus Christ, particularly among rural and underserved communities in Malawi.

Through the Book of Life Ministry, Masambuka leads a wide range of initiatives, including door-to-door evangelism, school and prison outreach programs, youth Bible studies, discipleship training, women's and youth ministries, pastor development programs, and healthcare services. The ministry's mission is not only to proclaim the Gospel but also to meet the spiritual, mental, and physical needs of individuals as a reflection of God's love. A major focus of his current work is youth evangelism training, especially in the districts of Zomba, Blantyre, and Machinga, where young people are equipped to become effective messengers of the Gospel. Clifford is also deeply committed to child and youth ministry, helping the next generation grow as disciples of Christ and spiritual leaders in their communities.

STORY OF FAITH

Clifford Masambuka's Christian journey is deeply rooted in a personal and divine calling to serve God by serving others. Responding to this call, he founded Book of Life, a ministry born out of a desire to equip young people with evangelism skills and bring the message of salvation and hope to areas often overlooked by mainstream missions.

His journey has been marked by both challenges and triumphs. Serving in a region where resources are limited and needs are enormous, Masambuka has remained steadfast in his mission. He faces daily obstacles such as financial constraints and logistical barriers in reaching remote communities. However, these challenges have only deepened his resolve and faith.

Over time, Clifford has expanded his outreach to prisons, schools, and villages, investing in holistic ministry that addresses not only spiritual growth but also emotional and physical well-being. His leadership has helped develop pastoral training, fostered discipleship among youth, and empowered women's ministries.

Today, Evangelist Masambuka continues to advance the mission of Book of Life with a heart full of compassion, a vision shaped by faith, and a life committed to making Christ known in every corner of Malawi. His passionate commitment exemplifies what it means to be a servant-leader in the Kingdom of God.

Global One80

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
