**JOURNEY**

Elize was born and raised in a Christian home in Haiti, where his life was shaped early on by faithfulness to God.

In the winter of 2024, while living in the United States, he experienced a strong calling to participate in God's global mission. While he recognizes that this calling is clearly expressed in Scripture (Matthew 28:19-20; Mark 16:15; Luke 24:47; John 20:21; Acts 1:8), he received personal confirmation through a sermon preached by a visiting pastor based on John 4, emphasizing the urgency of bringing the Gospel to the unreached.

Since that moment, the Holy Spirit has continually provided guidance, strength, and empowerment for this calling. As a result, his focus shifted from pursuing further studies in Economics and entrepreneurial goals toward actively engaging in God's mission through community outreach, church planting, discipleship, and Bible teaching.

God has shaped his character with qualities such as diligence, teamwork, reliability, flexibility, perseverance, and leadership. With a strong ability to build relationships and connect with communities, he is well prepared to serve in advancing the Gospel for the glory of God and the expansion of His Kingdom.

Vicky is the oldest of a humble rural family of three boys and three girls from the southeastern region of Haiti. He is currently a permanent resident of the United States. He earned a Bachelor's degree in Economics before moving to the United States in January 2020. Recently, he completed a two-year undergraduate theological program at BibleMesh Institute.

**Global One80** is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
