JOURNEY

Andrea's ministry includes various areas of service. She supports weekly Bible studies with deaf women, interprets worship songs into Mexican Sign Language, and accompanies deaf people to government offices, medical appointments, and job searches. In addition, she teaches remedial classes to CODE children (children of deaf adults) and works with five other missionaries to organize monthly community events, an annual camp conducted entirely in sign language, and medical events with an evangelistic focus. She undertakes all of this work to share the gospel and strengthen meaningful relationships within the deaf community.

Andrea was born and raised in Los Cabos, Baja California Sur. She accepted Jesus as her Lord and Savior at age eleven, and at seventeen, she moved to Ensenada to study at the Agua Viva Bible Institute. During her training, God awakened in her a special sensitivity toward people with disabilities, particularly after a mission trip to Vizcaíno, where she had her first encounter with a deaf girl. She graduated from the Bible Institute in 2020 and returned to her hometown, where she served in the children's and youth ministries of her local church.

In 2021, she formally began her missionary process, participating in training, and in November 2024, she went into the field to serve full-time among the deaf community in Ensenada. Currently, Andrea is also pursuing a bachelor's degree in psychology, with the desire to have

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
