FOCUS

Felipe serves as an international representative for Operation Christmas Child and as a pastoral assistant at Casa del Padre in Chile. In these roles, he leads leadership training across South America, equipping leaders to strengthen children’s ministry and disciple millions of children in the region.

Felipe, along with his family, senses a clear calling from God to step beyond their current city and serve in southern Chile. In the coming year, they will transition from Santiago—leaving behind their home and business—to relocate approximately 500 kilometers south. There, they plan to plant a church or partner with an existing church plant, with a desire to establish a strong, gospel-centered presence and serve the local community through discipleship and pastoral ministry.

Currently, Felipe is part of a 10-person team leading Operation Christmas Child’s efforts throughout the region. During the most recent season, this work reached well over one million children, bringing hope and establishing discipleship processes that have a lasting impact on lives and communities.

JOURNEY

Born in Santiago, Chile, Felipe lived there until he was 17, when he felt God’s call to pursue his education in the United States. He studied theology with a concentration in pastoral studies at Rio Grande Bible College and later specialized in biblical counseling at Boyce College.

With over a decade of experience, Felipe has dedicated his life to discipling and developing leaders. He has designed and implemented various training programs for volunteers, Sunday school teams, and preachers, work he carries out alongside his wife, Claudia. Through this role, God is calling his family to be church planters in Santiago, Chile.

Felipe and Claudia are parents to three children—Lucas (8), Thomas (6), and Abril (4)—and share a deep calling to raise a new generation of leaders in South America.

Driven by a clear vision and a firm commitment, Felipe continues to invest in developing leaders who will multiply the reach of the gospel and transform the future of children in South America.

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
