FOCUS

Luis Javier Salomón Arias is a Latin American pastor and missionary, currently serving with his wife Kathy as a missionary family established in the city of Bogotá, Colombia. From this country, he develops a ministry focused on biblical formation, pastoral leadership and intercultural mission, with a vision oriented to the strengthening of the Church and cooperation between different expressions of the Body of Christ. Bogotá serves as a strategic base from which it connects with the national church and carries out accompaniment, training and ministerial trips to indigenous regions, the Amazon and lowland areas, promoting an integral, biblical and contextualized mission.

JOURNEY

Luis Javier's ministerial trajectory has developed mainly in the context of the local church and missionary mobilization. Until January 25, 2026, he served as senior pastor of Más Que Vencedor Church, in the city of Lambaré, Paraguay, a local family church with approximately one hundred members. During this time, his pastoral leadership was characterized by a marked emphasis on discipleship, congregational spiritual life, leadership formation and the active participation of the church in God's mission, both locally and globally.

In the area of missionary mobilization, between December 2022 and December 2025, he served as Director of COMIBAM Paraguay. From this responsibility, he supported missionary training, connections between churches and organizations, and the strengthening of a biblical view of mission, which helped the growth of the national missionary movement.

He is also part of the Tres Olas movement, where he serves as national coordinator in Colombia. In this role, his main challenge has been to work to reduce the historical gap between the national church and the indigenous church, promoting relations of cooperation, unity and mutual respect.

As for his education, he has a degree in Theology from the Evangelical University of Paraguay, with degree work focused on church planting. In addition, he has received missionary training through programs such as Perspectives of the World Christian Movement, which have profoundly influenced his biblical and strategic understanding of mission. His ministry is distinguished by solid biblical teaching, a deep prayer life and a firm conviction that God continues to work through a Church aligned with His heart and committed to the nations.

Global One80 is a multicultural leadership and community development organization modeled around the life of Jesus. We come alongside devoted and committed leaders in their various stages of their leadership journey to impact communities with the Gospel of Jesus. We empower our leaders by:

- **IDENTIFYING** emerging and exponential leaders who are eager to influence their communities. They inspire those around them by building relationships and listening to community needs.
- **INVESTING** in them to sharpen their God-given potential by providing them with opportunities to grow and advance as leaders.
- Helping **IMPLEMENT** their vision for impact initiative planning with the support of donors who believe in their vision. They establish initiatives that are church and/or socially focused.

Together we can make a difference by helping bring the hope of Jesus to more people. The task is too large to do alone; we need partners who will empower passionate leaders to (transform/ influence) communities with the Gospel, one life at a time.
